You will be responsible for paying the full cost of the drug, and it will not count toward your out-of-pocket maximum. View the Maintenance Choice drug list at [nafhealthplans.com](http://nafhealthplans.com) > Explore benefits > Pharmacy benefits.**

<sup>10</sup> With the Choose Generics program, your pharmacy will automatically fill your prescription with a generic drug, if one is available. If you choose the brand name instead, you will pay the difference in actual cost between the brand name and generic equivalent plus the Tier Three copay. In addition, the amount that is the difference between the actual brand cost and actual generic cost does NOT go toward your plan's calendar-year out-of-pocket maximum.

<sup>11</sup> Covers a 180-day supply of the following FDA-approved medications with a valid prescription: bupropion SR, nicotine gum, nicotine inhaler, nicotine lozenge, nicotine nasal spray, nicotine patch and varenicline. Includes eight counseling sessions per calendar year.

\* Non-preferred benefits are subject to recognized charges. Covered dependents who live outside the Aetna Choice POS II network area will receive the Traditional Choice® Indemnity Plan level of benefits. Please see your Human Resources representative for details.
