HEALTH BENEFITS PROGRAM: Traditional Choice®

Coverage for: Employee + Family | Plan Type: Indemnity

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.HealthReformPlanSBC.com or by calling 1-800-370-4526. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-800-370-4526 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	EE Only \$500; EE+ Family (employee + one or more dependents) \$1,500.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> & <u>prescription drugs</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	EE Only \$4,000; EE+ Family (employee + one or more dependents) \$8,000.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover & penalties for failure to obtain <u>pre-authorization</u> for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Not applicable.	This <u>plan</u> does not use a <u>provider network</u> . You can receive covered services from any <u>provider</u> .
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
