The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.HealthReformPlanSBC.com or by calling 1-800-370-4526. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary/ or call 1-800-370-4526 to request a copy.

<td><strong>What is the overall deductible?</strong></td>
<td>EE Only $1,500; EE+ Family (employee + one or more dependents) $4,500.</td>

</tr>
<tr>
<td><strong>Are there services covered before you meet your deductible?</strong></td>
<td>Yes. Preventive care is covered before you meet your deductible.</td>
<td>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a></td>

<tr>
<td><strong>What is the out-of-pocket limit for this plan?</strong></td>
<td>EE Only $6,000; EE+ Family (employee + one or more dependents) $12,000.</td>
<td>The out–of–pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family out–of–pocket limit must be met.</td>
</tr>
<tr>
<td><strong>What is not included in the out-of-pocket limit?</strong></td>
<td>Premiums, balance-billing charges, health care this plan doesn't cover &amp; penalties for failure to obtain pre-authorization for services.</td>
<td>Even though you pay these expenses, they don't count toward the out–of–pocket limit.</td>
</tr>
<tr>
<td><strong>Will you pay less if you use a network provider?</strong></td>
<td>Not applicable.</td>
<td>This plan does not use a provider network. You can receive covered services from any provider.</td>
</tr>

<td>No.</td>
<td>You can see the specialist you choose without a referral.</td>

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
