By using the **NEW LabCorp Patient portal, you can:**

- Receive lab test results in the portal.*
- Pay your LabCorp bill online easily and securely.
- Manage your profile and keep your contact information current.
- Manage and reset your own password.

*LabCorp will provide the test results to your doctor before releasing them to your LabCorp Patient portal account.

Getting Started

Type <https://patient.labcorp.com> into your Internet browser. **Make sure you enter https:// in the URL.** (You may also want to bookmark this site to your favorites.)

Step 1: Sign up

Click [Create My New Portal Account](#)

All users must create a new account in the LabCorp Patient portal. You may have previously registered to use LabCorp Beacon®: Patient*, but to use the new portal, a new account is required. All results from your old account will be available in your new LabCorp Patient account. You can continue to use your existing LabCorp Beacon®: Patient User ID as your new patient portal User ID.

Create an account by completing the New Registration Form. You have the option to use your last four digits of your Social Security number or a valid Driver's License number (available only in certain states[†]) to verify your identity during registration.

After you have completed the New Registration Form, click **Create Account**.

*If you need to access your Microsoft® HealthVault™ account, you may click the link on the homepage.

[†]The Driver's License option is available only in the following states: CT, DE, FL, ID, IL, KY, LA, MA, ME, MI, MN, MO, MS, NC, ND, NE, NH, NV, OH, SC, TN, TX, WI, WV, and WY. You must select the button for Driver's License or last four digits of Social Security number to enter the information.

Step 2: Account Verification

After creating your account, you will be directed to a page to verify your account using a One-Time Verification Code, which can be sent to you via text message or email. Click the option you prefer and follow the steps below based on your choice.

1 Text Message

To verify your account by text message, click the agreement box and then enter the mobile phone number to receive your One-Time Verification Code. When finished, click "Send Text."

The image shows two overlapping screenshots of a mobile application interface. The top screenshot is titled "Verify your Account" and asks "How would you like to receive your Verification Code?". It explains that a One-Time Verification Code will be sent to the user's mobile number. There is a "Verify by Text" button with a speech bubble icon and a checkmark. Below this, there is a text message: "A text message will be sent to the phone number provided below." followed by a checkbox for authorization: "I authorize LabCorp to contact me with a One-Time Verification Code. I understand that LabCorp will not share my information with others. Message and data rates may apply." Below the checkbox is a "MOBILE NUMBER:" label and a text input field. At the bottom of this screen is a "SEND TEXT" button. The bottom screenshot is titled "Text Verification" and says "Please check your mobile device to receive your One-Time Verification Code." It features a red warning triangle icon and an "IMPORTANT" notice: "Please do not close this window or click on the Back button of your browser. You must enter your One-Time Verification code to complete registration. If you don't get a text from us within a few minutes at 555-555-555, please click Resend Code or Try Another Method." Below the notice is a "ONE-TIME VERIFICATION CODE" label and a text input field. At the bottom of this screen is a "VERIFY" button.

The image shows two screenshots of a web interface for account verification. The top screenshot is titled "Verify your Account" and asks "How would you like to receive your Verification Code?". It provides two options: "Verify by Text" and "Verify by Email". The "Verify by Email" option is selected and highlighted in blue. Below the options, it says "An email will be sent to *email_address@domain.com" and there is a "SEND EMAIL" button. The bottom screenshot is titled "Email Verification" and says "Please check your email to receive your One-Time Verification Code." It features a red warning box with the text: "IMPORTANT: Please do not close this window or click on the Back button of your browser. You must enter your One-Time Verification code to complete registration. If you don't get an email from us within a few minutes at mayemail@domain.com, please be sure to check your spam folder or click Resend Code or Try Another Method." Below the warning box is a text input field labeled "ONE-TIME VERIFICATION CODE" and a "VERIFY" button.

After you have finished selecting a method for receiving your One-Time Verification Code, retrieve the code from your email or mobile phone and enter it on the verification page, then click "Verify."

The Account Created page will open where you will be able to login to your account (**See Step 3**).

Step 3: Login to your account

On the Account Created page, use the User ID and Password you created on the New Registration Form, then click **“Login”** to access your LabCorp Patient portal.

A screenshot of the LabCorp Patient portal's 'Account Created' page. The page has a dark blue header with the LabCorp logo and the word 'Patient'. Below the header, there is a teal banner with a white checkmark icon and the text 'Account Created'. Underneath the banner, there is a message: 'Thanks you for registering with LabCorp Patient.' Below this message, there is a section for logging in. It starts with the text 'For the safety and security of your account, we ask that you now log in with your User ID'. Below this text, there is a heading 'Login' with a small icon. There are two input fields: one for 'User ID' and one for 'Password'. At the bottom of the login section, there is a blue button with the text 'Login'.

Available to US residents only.
